Annual Scholarship Awards Dinner

Thanks to all those who supported SWF at this year's Scholarship Awards Dinner at the beautiful New York Marriott at the Brooklyn Bridge (go to the NEWS section of this website for more information). We hope to see you again (as well as some new faces!) on April 14, 2007.

SWF also prints a souvenir journal for the occasion that features the new scholarship recipients and community service/parental awardees. Please show your support for this event by advertising your business in our journal.
